

## What We Do

FOCAS is a 501 ( c ) ( 3 ) non-profit organization which has been in existence since 1998. We help people and organizations who are in financial need, spay and neuter their pets. This is made possible by the hard work of non-paid FOCAS volunteers.

## THE FOCAS MISSION

Promote animal welfare by:

- Eliminating euthanasia as a means of population control,
- Promoting spaying and neutering,
- Encouraging responsible pet ownership,
- Supporting caring animal groups.

“Our goal is to assist animal shelters and individuals in Chippewa County who care for the numerous abandoned and homeless animals in their charge and to help prevent overpopulation of unwanted pets by promoting spaying and neutering.”
